GES
Switchgear Pvt. Ltd.,

A small-scale manufacturing unit in the name of General Engineering and Services was started in the year 2002 by C. Edwin Thayanantham in North Chennai, India, where they manufactured HT & LT Switch gears.

Consistent and significant efforts put in by Mr. Edwin has helped the company to grow and form as a Private Limited Company in 2014 – from then known around the world as **GES Switchgear Private Limited.**

Mission Statement

Be a global organisation that **EXCELS** in Switchgear and its components Manufacturing and Servicing;

Ensure **dynamic networking system** that delivers **speedy** and **need based response** ensuring that the needs of customers **exceed satisfaction**;

Expand to all nations of the world at the same and remain - **the best in this industry.**
